Tamil Internet 2014

One of the major events being organized by INFITT is the Tamil Internet Conference. It is an annual forum for all professionals involved in the development of Tamil Computing and Tamil Internet interpreted in a broad sense. Discussions cover Tamil computing in all computer platforms from basic text processing to advanced technologies such as natural language processing, OCR, machine translation from one language to Tamil or vice versa and related topics.

In addition to the Conference Hub, Community and Exhibition Hubs will also be organized in parallel to bring the advances in Tamil Computing Technology to the attention of the Tamil Diaspora at large. Various Tamil software and hardware will be displayed in the Exhibition Hub. Tutorials and Workshops will cover topics such as Tamil Text processing, Tamil Blogs,Wikipedia and Computer-aided Teaching of Tamil

INFTT has hosted several conferences in the past in the USA (San Francisco & Philadelphia), Singapore (twice), Malaysia (Kuala Lumpur /twice) and Germany (Koeln) in collaboration with major universities such as University of California at Berkeley, University of Pennsylvania, University of Koeln, National University of Singapore, and the University of Malaya. Three conferences have been organized in India in collaboration with the Anna University, Annamalai University and the Government of Tamil Nadu.

International Forum for Information Technology (INFITT) is pleased to announce that the 13th International Tamil Internet Conference, TI-2014 will be held in Pondicherry, India during September 19-21, 2014.
